Time to bring this dba back to life, but we need to make some changes please.

Please change the Who Is info from Brass Triangle to University and Folsom

Please change any instances of "megan" to "marnie"

The marnie@titanwhitesecrets.com is the only e-mail that needs to forward to me. customerservice@titanwhitesecrets.com needs to forward to customerservice@titanwhite.com
Update the descriptor to "unf*titanwt8773013129"

It looks like the trial is already 10 days/94.31 on here. Just make sure all addresses are updated to either U&F or Rev Go on Commercial Way in Henderson. Otherwise, no references to CO or NV. AZ only.

Please let me know if you have any questions.
